Graydon via the cable car

Directions ...

Starting point: cable car parking area

- Take the cable car up the mountain at Saint Jean station. Exit the top station and turn left towards Joranloup, Graydon. After 100 m or so there are wonderful views for walkers: the stunning Dents du Midi peaks, Morzine's Ressachaux and Nyon mountains, not forgetting the architectural wizardry in Avoriaz, where the buildings atop the cliffs blend cleverly into their surroundings.
- Continue straight on the footpath to Joranloup, then carry on through the trees to the hamlets of Valletaz d'en Haut and Valletaz d'en Bas.
- Keep going for about 10 minutes along the same route before turning left, back to Saint Jean d'Aulps station. Follow the road to return to the car park by the cable car.

Detour

The option (detailed below) is a few hundred metres from the cable car top station and takes walkers to Graydon.

- Exit the cable car top station and turn left to Joranloup and Graydon, then turn right (to Graydon) when you reach the point marked 1447 m on the map opposite. From Graydon, head down through the forest, past the chalets at Pro d'Aulps, and then carry straight on to pick up the main itinerary.
